

YOUR CALL GUIDE

A CLEAR FIRST STEP FOR WHAT'S NEXT.

15

FOCUSED MINUTES

This free discovery call is a quick, practical conversation about your business, your idea, and the support that could move it forward. You do not need a polished plan. Bring the real version of where you are and what you want to build.

01 What to expect

- A quick introduction to you, your business, or your personal brand.
- A focused look at your main goal and what is getting in the way.
- Questions about your audience, priorities, timing, and current tools.
- An honest conversation about whether Fruition Creative is the right fit.

02 How to prepare

BRING THESE

- Your biggest goal right now.
- The one challenge you most want solved.
- Your ideal timing and a comfortable budget range, if known.

HELPFUL, NOT REQUIRED

- Your website or social links.
- Examples you like.
- Existing brand files, content, or notes.

03 What happens after

Clear direction

We will identify the most practical next step based on what you shared.

A written scope

If there is a fit, we will follow up with proposed deliverables, timing, and pricing.

No pressure

The call is free. Booking it does not commit you to a project or purchase.

IF PLANS CHANGE

Life happens, and we get it. If you need to cancel or reschedule, please use the link in your confirmation email at least 3 hours before your scheduled time. If you miss your call without notice, you are welcome to rebook once. After two no-shows, please contact us directly before booking again. We hold your time just for you, so a quick heads-up helps us serve everyone better.
